Lower Columbia Woodcarvers Show & Sell
Longview, WA
October 2 and 3, 2010

Get your thoughts together on the time you would like to cover our table at the show in Longview. Since we no longer have a show we want to help other clubs who are having the same problems we had to succeed in theirs. Let's help keep them going and take this opportunity to show that we still possess carving skills that are right up there with the rest of the carving communities even though we do not sponsor our own show.

Note from the Editor

WOW! It's August already!

Again, I want to thank those who have helped with the input on the newsletter. It seems to be filling up little by little.

If you have an Idea or two, please feel free to email me!

Don't forget to attend the CWA Picnic! Bring your tools and carve for a while, have some FREE food, and perhaps a few laughs!

Hope to see you all there!

Thank You,
Rob

Northwest Carving Academy

July 10-15, 2011

Cascade Carvers is taking reservations for the 2011 carving academy with some excellent teachers available. The money won't be collected until January but if you want a particular class you may wish to get on the list **NOW**. Classes are filling up. The teachers we know of so far are Desi Hajny, Dave Sabol, Josh Guge, Jerry Simchuk, Lonnie Accord, Wayne Barton, Janet Clemens, Gil Drake, Jeff Harness, Rich Jensen, Pete LeClair, Pat Moore, Charley Phillips, Harley Refsal and Elaine & Fred Stenmon. If you wish further information about the classes please see Ann Engle. The top-named carving teachers are giving a very special price so this really is a very good deal. And it never hurts to add to your own carving expertise.

It's FAIR Time!

It is time again for the Thurston County Fair and the Grays Harbor fair. The Capitol Woodcarvers will be involved to demonstrate their skills and show their completed work. This is a good way to enlist and encourage future carvers to our club.

August 4 thru 8

Thurston County Fair

We will be covering the first three days of the Fair- Wednesday Aug. 4, Thursday Aug. 5, and Friday Aug. 6. The shifts each day will be 10am to 1:30pm, 1:30pm to 5pm, and 5pm to 8:30pm. There should be some time that is convenient for you to represent our club and enjoy the fair. Sign up sheets are available at the carving sessions.

For more info about this show, contact Ann Engle or Paul Kressin.

August 11 thru 15

Grays Harbor County Fair

Grays Harbor Fair runs from Wednesday Aug. 10, through Sunday Aug. 15. We will have sign up sheets at the carving sessions.

For more info about this show, contact Lila Stone 360-249-3175

Or Ann Engle 360-943-1093.

The greatest thing is that you will receive a free pass to the fairs where you work. For the Thurston County Fair parking is free **IF** you park in one of their lots at the school bus barn or the Church at Carpenter and Mullen. There is a shuttle that runs every 10 minutes to the fair. Parking passes are given with your tickets for Grays Harbor Fair.

SEE YOU ALL THERE!

THANK YOU TO ALL THE VOLUNTEERS!

There is always room for more!

On page 4 you will see a list of fair volunteers and the times they have chosen. As you may notice, some of our carvers have signed up for more than one time slot in order to cover the whole fair. We already have cut down to three days at Thurston County and they have asked us to stay for the weekend too. So if you wish to do so, please let Ann Engle know.

Tickets will be available to all who have signed up to work.

Parking will be at the bus barn on Carpenter Road as you approach the fair and the bus will deliver you right to the fair gate which is very convenient. The bus goes every ten minutes.

Let's all have a great time representing our club!
