See You There!

Jake Frink

Past away on August 30th. Jake will be missed by all who knew him, and many that will not get the chance to meet him. He always had a smile, a hello, and a genuine way of lending an idea or hand wherever needed.

Jake's daughter Carol has created a webpage in honor of her dad's life. It can be found at :

Membership Update

If you have a change to your information that's on the membership form please contact either Denise Taylor or Ann Engle so we can update our records.

Mailing list Update

Due to the rising cost of publishing and mailing the newsletter, it will help save money for the association if any of you that can get your copy over the internet or on an e-mail will let me know that you don't need to receive the newsletter by mail. We tried this once before. The problem was that many of you that had e-mail didn't have the programs to print the newsletter in the form sent. You won't be taken off the mailing list until you notify Kenny that you can receive and print it from the internet or e-mail.

President's Letter

Our annual picnic at Yauger Park was a success. We had twenty members and spouses enjoying some great food and carving. It was especially nice to see Jake Frink and Milita Johnson coming complements of Bob and Ann Engle. I have asked Bob Haynes to secure our reservation for next year at the same time.

My thanks go out to all you members who supported the Grey's County Fair. We also owe a debt of gratitude to Lila Stone for all her preparations to make us carvers comfortable. It's not very often when you have someone set up coffee, donuts and cookies for our participation. We attracted a large number of young people, which leads me to the next subject.

Larry Sullivan has suggested that we carve some three-minute owls to use as handouts for kids when they visit our table. We need to have members bring in all their scrap wood cut into sixes 1x1x11/2 inches for the owls. I will have go bys at the weekly meetings for members to use. I'm sure we could have given out a 100 if we had them. Al Price and Ken Betts's miniature paintbrushes are also fun items to carve and give out. Little items like these just may spark the interest in a child that could lead to carving as a hobby.

Phil Mooney has an opportunity to visit the Jamestown Artwork Enterprise carving facility in Sequim adjacent to the Seven Cedars Casino. Dale Faulstich operates the studio. It has been suggested that we arrange a club trip to the studio to see totem pole carving on a big scale. To arrange this trip will take some coordination since we'll need to reserve the Senior Services bus and insure that the members who sign up are committed. I expect that the cost per member will be approximately \$20.00 in advance. Interested members should email me at (pek1938@yahoo.com). The bus can hold 15 passengers so it will be first come first serve for a seat. The only information I have with regard to time is that it would be a midweek and depending on the availability of Mr. Faulstich.

It's with regret that we notify our members of the recent death of a long time member of the Capitol Carvers, Jake Frink. Jake passed away on August 30, 2007 Jake was a main stay in our club holding various club positions and our main contact with the Olympic Senior Center. I personally will miss Jake's creative approach to fabricating tools to meet varied relief carvings. Jake could make a tool to work the hardest wood any member could find. You can find out how to read more about Jake's wonderful life and the celebration of his life service in this newsletter.
