## Prez Says

Well you missed it again. The Lower Columbia Carver's show was a huge success. Lots of wonderful carvings, scroll work, and door prizes. Cascade, Little Shavers, and Dailey Splinters were selling tools, books, and wood. I heard the Sunday's attendance was 1080 people through the door...and Saturday was even busier.

Don't miss out on the NW Carver's show and sale November 8-9, 2008 at the Puyallup Fair Grounds. I hope the club decides to have a table at the event and lots of members participate. Sign up for your spot at our October 18<sup>th</sup> meeting.

Speaking of our next club meeting Ray Olsen will be our guest speaker. His flower and bird carvings are phenomenal!!! And he is going to share with us how he does it.

On the darker side, our club is having health troubles and we are looking for your assistance. In accordance with our By-Laws and standing rules this is an official notice for your attendance at our November 15<sup>th</sup>, 2008, meeting to discuss Capitol Carver's future. Do we die or do we go for a cure. Some of the adverse symptoms being experienced are: discrimination, back-biting, slander, lack of involvement, poor attendance, and the dreaded "Not Me" syndrome.

I have attended college classes and seminars in: Organizational Theory, Human behavior, Volunteerism, and the Psychology of Aging. No one in the class can figure out the quandary being currently experienced in recreational and hobby organizations (clubs) and volunteerism in general. And this does not include the current state of the economy problems.

Bottom line Capitol Woodcarvers are responsible for their own problems and the cure.

John

Please support these businesses that help make our May Carving Show and Club a success.
