Our 18<sup>th</sup> annual woodcarvers show was a huge success. My thanks go out to all of you members who devoted so much time and energy in insuring the success of our show. I believe that special mention should be given to Ann & Bob Engle and BW & Cecil Jesse. Jake Frink came through again as our official photographer in spite of having to maneuver his new walker.

I would also like to recognize Howard Marriott for donating one of his fantastic carved trout and Frank Geringer for donating another unique Cottonwood spirit house. This is the third consecutive year that these gentlemen have donated extremely popular items.

Jeff Iller was a hit as our featured carver. Jeff's display of carved working tools and intricate wood chains generated a lot of interest to carvers and non-carvers alike. Word has it that Jeff was a big purchaser from our new wood vendor from MN-----maybe members should follow his example at the next show.

I'd like to remind everyone that our annual picnic is coming up on Saturday August 18 at Yauger Park on Cooper Point Rd. We will start at 10am until everyone gets tired. Please bring your carving tools and any work that you'd like to share with club members. The picnic is a potluck. We are asking members with last names from A to H to bring hot dishes, I to Q cold dishes and R to Z desserts. The club will furnish soft drinks and coffee.

I would like to remind members of our annual monthly meeting at the Olympia Center on June 16 at 9 am. We will be voting on donating money to Senior Center, \$200, Capital Place, \$100 and Fir Lane Rehabilitation Center, Shelton, \$100. Club by-laws require a vote on donations. Items for show and tell and donations for the drawing would be appreciated.

Look forward to seeing a write up on show in a forth-coming issue of "Chip Chats." The article should be in the editor's hands later this week when I get all the photos sorted to accompany the article.

There is no Secretary's Report for June since the show replaced our monthly meeting.

See you all on June 16<sup>th</sup> at the monthly meeting.

Paul
