## Prez Says

'Ya missed it! Our annual carving show is over for this year. Thanks to those who helped in the planning, Friday set-up, and active participation on show day.

Preliminary results, based on numbers, show us that:

- Attendance was down,
- Raffle sales was down,
- Participation by carvers was down, and

Profits are down.

But don't let that get you down. Those that attended, both carvers and non-carvers had a good time. There were a lot of happy raffle winners. Howard Merriott put on a beautiful display of carved fish, as our featured carver. Cascade Carving Supply and Drake Knives attended to provide us with opportunity the purchase new "stuff" for carving and donated items for the raffle. Sumner Woodworks donated a mini-lathe and a set of skew gouges for the raffle.

As you read this newsletter you will see some changes and additions to help you keep informed about club actions and activities.

Sign-up sheets will be passed around at the club meetings for the Fairs, Pumpkin carving, and the Lower Columbia and NW Carver's shows this fall. We still have our club picnic, ornament carving event, and end-of-the year holiday party in December.

**Lots of fun times a-comin'!!!**
